

# PROBLEM SOLVING (3 BILLY GOATS)

Kit Barcode: 33357 00487 1277

WEST BEND  
COMMUNITY MEMORIAL  
LIBRARY

Integrate STEM and literacy with this fairy tale kit! Design a bridge that will all hold all three goats and pass over the troll!

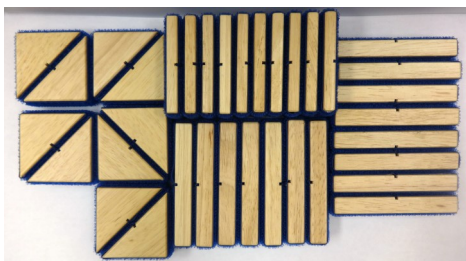

Develops skills in:

- Using the design process
- Exploring cause and effect
- Experimenting with structural stability, gravity, weight and balance.

Kit Replacement Cost: \$50 + \$5 processing fee

Here's what's included in the Problem Solving Kit!

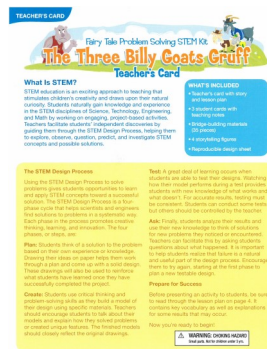

(35) Bridge Building Blocks

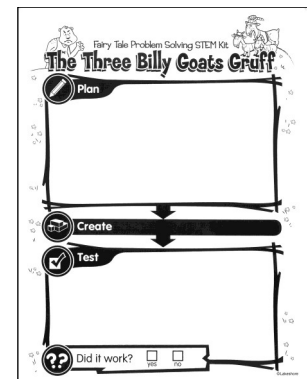

(4) Storytelling Figurines

(3) Student Cards

(1) Teacher Guide

(1) Reproducible  
Process Sheet

This S.T.E.A.M. kit was created by a generous donation from **J L Business Interiors, Inc.** (September 2016)
